CASTLE

DISCOVER A PLACE WHERE HISTORY

meets romance

The biggest day of your lives is just around the corner and we know you want to make a lifetime of memories surrounded by the people you love.

Celebrate steeped in history, style, stunning views and magnificent state rooms. Make Bamburgh Castle your only choice for a bespoke wedding experience that cannot be matched.

From larger ceremonies to intimate gatherings and even weddings for just the two of you, take a look at Bamburgh Castle's exceptional offerings...

MAKING OUR LOVE STORY

yours

From its earliest beginnings, the castle's breathtaking location overlooking the Northumberland coast has long captured hearts and given couples the chance to turn their dreams into reality.

A royal palace in Anglo Saxon times, the 6th century King Æthelfrith named Bamburgh after his wife Bebba and as a demonstration of true love the castle became Bebba's Burgh.

More recently Bamburgh captivated the great Victorian industrialist Lord Armstrong who put his heart and soul into restoring the castle into the spectacular fortress it is today. It remains the home of the Armstrong family to this day and we'd love to make your special day part of the ongoing story of romance, love, friends and family.

SAY 'I DO' WITH A
stunning view

Licensed for civil ceremonies and partnerships we have many wonderful locations to choose from for your special day. Whichever you decide upon, our weddings are exclusively yours and the possibilities for truly unique wedding photographs to capture the moment forever are limitless.

Make an entrance into the castle's magnificent centrepiece **The King's Hall** with its intricate teak ceiling, fine art collections and Minstrels' Gallery. Exchange your vows in the **Cross Hall**, crowned by light from soaring leaded windows, which is also suitable for smaller ceremonies.

Descend the fairytale staircase into the 12th century **Keep Hall**. Original vaulted ceilings, stone-flagged floors and a treasure trove of eclectic pieces create an atmosphere of intimacy that you'll find nowhere else.

With its sweeping sea views of the Northumberland coastline to one side and the splendour of the castle on the other, the **Battery Terrace** is a very special open-air space newly licensed to exchange your vows, high above the beach.

Marry with the sand between your toes with new **beach ceremonies** on Bamburgh Castle Estate-owned shore with our famous silhouette featuring as a spectacular backdrop.

The King's Hall - 150 guests
The Keep Hall - 40 guests
The Battery Terrace - 60 guests
Beach Ceremonies - 60 guests

EAT, DRINK,
be married

Following your ceremony take to the Battery Terrace, a stunning vantage point high above the coastline with sublime photo opportunities. Treat your guests to a glass of fizz and canapés paired with panoramic coastal views. Should the weather be less than perfect, take your loved ones inside the Victorian Stables Bar and carry on the celebrations in style.

A marquee on one of our exclusive sites is an extra special way to celebrate with a difference. Available on our famous village Green with the unforgettable sight of the castle illuminated above, or the historic Glebe field with its spectacular castle, sea and countryside views.

To the mini moon
AND BACK

Make your wedding even more memorable and continue your love story with a stay in The Neville Tower. Perfectly located within the walls of the castle itself, this self-catering apartment sleeps up to four and has far-reaching sea views for an experience that is unmatched.

We have a charming collection of individually designed self-catering cottages in Bamburgh village including 'Sandhills' which topped the You & Your Wedding's list of Britain's most romantic places for a mini-moon.

YEAR ROUND

romance

The Castle enchants all year round. From February to October ceremonies are held after 5pm and from November to February between noon and 4.30pm, depending on your chosen day.
